Dear 8th Grade Families,

Due to the unprecedented COVID-19 restrictions, High School Enrollment is currently working on the distribution of creation code letters for all students. As of right now, we were informed that there is a delay in the High School application process. Guidance is forthcoming about registration for the SHSAT. Please be assured, when we are provided with updated information from the High School Enrollment office, we will be in touch with you immediately.

Families can find the most up-to-date Information about admissions and high schools online:

- The searchable online high school directory in MySchools is updated with school information for 2021 admissions. Families and school staff can use this searchable directory in English and the nine DOE languages without logging into their MySchools account.
- The 2021 NYC High School and Specialized High Schools Admissions Guide is available online, both digitally and as a PDF, at schools.nyc.gov/High. Everyone can access these resources in English and the nine DOE languages.
- Information about admissions for the Specialized High Schools is at schools.nyc.gov/SHS.
- The new High School Admissions Video Series is now available, and more videos will be added soon: schools.nyc.gov/HSVideos

If you require any additional assistance please contact Ms. Iburg, via email, at MS.IBURG@ROCCOLAURIE.COM

Be Well,
