

Family Checklist for Administering the i-Ready Diagnostic at Home

Familiarize yourself

Watch this [video](#) to familiarize yourself with the Diagnostic and how to best support your child

Get organized

Find a quiet space for your child to take the assessment

Plan for the scheduled time to take the assessment

Ensure you have correct login information from your child's teacher.

Test the device your child will use to take the Diagnostic. Run our [system check](#) to confirm computers are functioning properly. Consult this [guide](#) if you need help logging in. Confirm headphones or audio are working.

Gather paper and pencil for your child to use during the diagnostic.

Motivate your child

Explain to your child (you can use [these phrases](#) to help you):

- Why they are taking this Diagnostic, and motivate them to do their best
- How the Diagnostic works
- That you cannot help them with any questions

Support your child

Monitor and encourage your child as they complete the Diagnostic.

Do NOT assist your child with answering assessment questions, as this may lead to the teacher receiving inaccurate information and/or online lessons not being at the right level for your child.

Confirm completion and celebrate

Ensure your child has fully completed the assessment. Your child will receive a congratulatory message and see lessons appear on their screen. Make sure your child logs off the i-Ready account after completing the assessment. If problems arise, reach out to your child's teacher for support.
