Dear Parents and Students,

The yearbook is always filled with special memories of IS 72. At this time the yearbook staff is working on two components of the book: the section containing baby pictures and the section displaying boosters.

We would love if every 8th grade student had a baby picture in the yearbook. The picture must only be of the individual student, clear, and no larger than 4 x 6. Please keep in mind that these photos **will not be returned.** Please write on the back of the photo the student's name and class and place it in an envelope marked: **Yearbook Baby Photo and also include student's name and class.** All photos are due to school by **Tuesday January 21st, 2020. If the baby picture is not labeled with the student's name and class, it will not be put in the yearbook. There is no cost to put a baby picture in the yearbook.**

We will also be including booster messages in the yearbook. A booster message includes a wish of congratulations or best wishes for the graduating student. The message can be 35 characters per line, including spaces. The cost of each booster is $5 a line. Please use the following grid to send in your booster message. Each box below represents one character (including spaces, punctuation and letters). There are *35 characters per line.* Booster messages are also due by **January 21, 2020.** The booster form and money should be placed in an envelope marked, **Yearbook Booster and include student's name and class. There is no limit to how many booster messages can be included per student.**

If you have any questions, please feel free to email Ms. Manzo at cmanzo@schools.nyc.gov , Ms. Giachetta at ms.mgiachetta@roccolaurie.com , students can also see members of our Senior Council Yearbook Staff for additional help and information. **Please remember baby pictures and boosters are due by January 21, 2020.** Baby pictures and Boosters will be collected on a daily basis up until and including Tuesday January 21st, but no submissions will be accepted after that day.

Sincerely,
