Dear Parents/ Guardians,

We are pleased to announce that we will be starting our **Green Team** afterschool program. This program will run on Wednesday afternoons beginning on **October 30, 2019 thru June 10, 2020 with Ms. Bove in room 316H from 1:30-3:00 pm each Wednesday.**

This program is open to all students of I.S. 72. Admission will be on a first come first serve basis and there are only 30 spots available. We ask that students accepted into the program wear clothing that allows for recycling projects, gardening, upcycling arts and crafts, etc. Students should also bring a small snack and water for after school.

There is **NO** transportation provided for students to get home. If your child is interested in joining this afterschool program, please return this tear off slip to your homeroom teacher. If your child is accepted into the program you will receive an acceptance letter on Tuesday, October 29, 2019 in homeroom class.

If you have any questions please feel free to call or email Ms. Bove.

Sincerely,

Danielle Movsesian

Assistant Principal
