

Prevention and Intervention Program (P.I.P)

I.S. 72 The P.O.Rocco Laurie School

About Our Program

Prevention and Intervention Program, also known as PIP, was created to help your child reach their full potential by being able to access on site school based mental health services. Through a tiered model, we will provide services to individuals, group, as well as school wide services to increase awareness and education on mental health.

Services Provided

- Individual Counseling
- Group Counseling
- Teacher Education Seminars
- Parent Seminars
- Crisis Intervention
- Referrals and connections to community based services
