Dear Parents:

Each year we provide academic services in order to prepare our current 8th grade students scheduled to take the New York State Regents this June in Integrated Algebra, American History and Government and Earth Science. In addition, this year we have added Spanish and Italian for those taking the Proficiency Exam.

We will begin the review classes on Wednesday, May 8, 2019. The program will be held each Wednesday, Thursday and Friday afternoons from 1:30 p.m. to 3:00 p.m. The program will end on June 7, 2019.

Please be aware that students are admitted on a first come first serve basis. We will fill the seats in these classes very quickly. **Once the classes are full, we will not be able to accept any additional applications.** It is also important to understand that since the classes are being offered three days a week, students can only select 3 subjects. If your child is accepted into the program, they will receive an acceptance letter and schedule of classes the week of May 1, 2019.

If you are interested in having your child attend, please complete the tear-off below as quickly as possible. Remember to indicate which course your child is interested in and return the tear-off to Ms. Movsesian, 8th Grade Assistant Principal, by April 19, 2019. **All parents are responsible for picking up their child or making the arrangements for them to use public transportation. No bus service is provided**

Sincerely,

Jessica Jackson

Regents2019

Please return to Ms. Movsesian by Thursday, April 19, 2019

My child is currently in 8th grade and I wish my child to participate in the Regent's and Proficiency Prep Courses indicated below. **Please remember that only three selections can be made.** I understand if I am accepted into the program I will receive a letter outlining my schedule.
