

PAL's

Adaptive Baseball League

January 15, 2018

Dear Friend of PAL's Play Ball Adaptive Baseball,

PAL's Play Ball Adaptive Baseball League is now preparing for our 14TH season. For those of us who have been here since the program began in 2005, it is impossible to convey the special memories created on the field! For those who are new to PAL's Adaptive Baseball Program, it was designed especially for children ages 5-21 with various disabilities. In 2012 we expanded a bit by adding our new adult league for those over 21. With the help of volunteers, buddies, parents and great people with huge hearts, we lift these special people from the sidelines and onto the ball field, putting smiles on their faces.

We hope to depend on you or your company to sponsor our adaptive league this spring with your generous donation. Your company's name will run the bases on the back of the player's shirts. Please attend a game, sign up to pitch or join us to cheer on our "special" players. All sponsorship money for this program will be used solely within our adaptive program to purchase player's trophies, shirts, hats, and to help with expenses for our end of season picnic and awards celebration.

If you would like more information or have any questions regarding this program and its special children please feel free to phone or email me at any time. Checks for sponsorships should be made **payable to PAL** and mailed directly to me **before March 1, 2018** so that your name will appear on our shirts. On behalf of all parents and guardians of our special players in this wonderful program, THANK YOU!

Thank you for taking the time to read this letter and considering your donation. We would love to see you at PAL this season.

Sincerely,

Johnna Sleith
