WHAT IS SAP?

The Student Assistant Program is comprised of trained school professionals (counselors, teachers, and administrators) who receive referrals from parents, teachers, students, and other school staff. This team works closely with outside agencies to help you access school and community services.

DO YOU SEE YOUR CHILD SHOWING ANY OF THESE BEHAVIORS?

- Withdrawing from family, friends, and/or school
- Changing friends; no longer spends time with old friends
- Unexplained physical injuries
- Talking about suicide/depressed
- Defying authority, both at home and at school
- Acting aggressively or differently
- Lying
- Needing money without an explanation
- Sudden change in grades
- Experimenting with drugs or alcohol

ARE YOU CONCERNED ABOUT YOUR CHILD'S REACTION TO?

- Recent death
- Divorce of parents
- Family relocation
- A relationship problem
- Other traumatic event

HOW DOES MY CHILD BECOME INVOLVED IN THE SAP PROGRAM?

Penn Middle School's SAP team will help you find services and assistance within the school and, if needed, in the community. We do not diagnose, treat, or refer your child for treatment. Rather, we will provide you with information; you make the choices. Remember, you are part of our team. Our goal is to help your child succeed in school.

Students come to the SAP team in different ways. Anyone can refer a student to the Student Assistance Program. Some students are referred by teachers and other school personnel. Any school staff member, a student's friend or family member can let the SAP team know that they are worried about someone. The students themselves can even go directly to the SAP team to ask for help. However, the SAP team will not become involved unless we receive parent permission.
