

Dear Parents:

I want to send an update out regarding the food service program that will be offered during the school closing for any student that depends on our school food service program. We are now adding Trafford Middle School as a pick up location in addition to the Penn Trafford High School starting Wednesday, March 25, 2020.

For any students that depend on our school food service program, bulk Grab and Go breakfasts and lunches for the week will be available. Pick up will be at the High School and Trafford Middle School from 11:00 AM – 1:00 PM on Mondays & Wednesdays during the school closure.

Pick-up will be at the Nurses Entrance, door #31 at the high school. Pick-up will be at the main tower entrance at Trafford Middle School. On Monday – meals will be provided for Monday & Tuesday. On Wednesday – meals will be provided for Wednesday, Thursday & Friday.

If additional food assistance is needed, please contact our Backpacks-to-Go Program coordinators at 724-744-0302.
