FIRST GRADE NEWS

Earth Day 2018 on Saturday, April 21, 2018.

Each year on this day thousands of people celebrate the Earth and what it means not only to them, but to the human race as a whole. Others use this day to bring the public's attention to Earth and the effects our lifestyle is having on the planet.

Earth Day 2018

Participate and enjoy Earth Day 2018 this year!

National Poetry Month is April 2018

Let the celebration begin! April is the month when we shine the spotlight on POETRY! You may not realize it, and you may think that you "don't like" poetry, but you know, poetry comes in so many different forms that you may not even be aware of how it influences us. Think of those catchy jingles on commercials, those nursery rhymes we still hold so dear, so many love songs, and really how many of us learned to read with the help of Dr. Seuss? Face it, you really do like poetry and you didn't even know!

"Corner of Thought"

"We do not inherit the earth from our ancestors; we borrow it from our children."

~Native American Proverb.

We are all moving along.....

In **Math** we are now having fun with money. We are counting money and finding out what it is worth.

This marking period, we are working on **Social Studies** and **Science**. We are reviewing what we have learned....planets, animals, plants, our country and our World.

In **Reading**, we are working on different sounds; putting the sounds together to make different words. We are working on suffixes and prefixes.

LOOKING AHEAD...

Tomorrow, April 12- 3rd & 4th grade trip to Isles Garden Plow

Friday, April 13- KG & 1st grade to Philadelphia Zoo
