EXACT PAYMENT IS REQUIRED

PHOTOGRAPHER WILL NOT MAKE CHANGE.

CASH, MONEY ORDER OR

CHECK **PAYABLE TO: LIFETOUCH**

*****Students must wear their gym school**
uniforms!***

We are busy in 3rd grade! We are learning about different types of land forms and bodies of water. Next, we will study which of these land forms and bodies of water are in the United States. We are also learning how to read a compass and use a GPS. Students will design a treasure hunt for their classmates using directions.

Starting next week, we will be learning about the Solar System in Science. In Math, we have started working on multiplication. In writing, we are learning about narrative writing and in reading, we are discussing sequencing.

We are always trying to do activities that relate to real life. So, on the last Wednesday of each month, we will set up a classroom store where students can buy things using school money that they are earning. In this way, students will learn to add and subtract money and make change.

Everyone is working really hard in 3rd grade. All the students love to learn and they are very motivated.

Mrs. Sridhara

Available at the main office
for \$1.00 each.

“Corner of Thought”

“Taking pictures is savoring life intensely, every hundredth of a second.”

~ Marc Riboud
