

## Donation Request for PS/IS 276 School Auction

Dear Neighbor and Friend;

Growing Together! PS/IS 276 is a public K-8 school serving downtown Manhattan. This is the school's ninth year and we are continuing to grow its awareness and foster a community among local businesses and service providers.

Our school benefit/auction will be held **March 22, 2018** at Battery Gardens. The annual auction is our largest fundraiser and its success depends on the quality and value of the items available. Please consider donating an item or service from your business for our upcoming school event. Your contribution, regardless of size, will make a big difference and will support the strength of our children's education on a *daily basis*. The proceeds from our fundraising efforts are budgeted for **school enrichment programs and educational materials not funded by the NYC DOE**, such as music and art programs, reading recovery, math coach, Spanish, chess, teacher development, teacher assistants, writing workshops, technology program, classroom supplies and more. Last year's auction raised over \$150,000.00 and we hope to raise even more with your help!
