Dear Uniondale School District Community,

As a follow up to my letter to the community yesterday regarding the Coronavirus, please be assured that our schools remain safe for your children, our staff and all who visit our schools. All classes, after-school activities and events will continue as scheduled. As I previously noted, based on all the information we have received from local and state health authorities, there is absolutely no reason to change your daily habits or keep children out of school. We will continue to update the community as new information is made available to us.

Sincerely,

Dr. William K. Lloyd
Superintendent of Schools
