

## SCSD #1 2020/2021 School Readiness Goals

E.07

Our School Readiness Goals are based on the five domains of the National Head Start Child Development and Early Learning Framework

The Goals follow Wyoming's Early Childhood Indicators of Progress and Kindergarten Entry Development Checklist.

This plan helps us know and show that children are ready for school at the end of the Head Start program year. You can be sure that all SCSD #1 Head Start staff will support your child's learning and progress toward achieving these School Readiness goals!
