

# CARMEL SCIENCE RESEARCH

If you are a freshmen and interested in a class that allows you to choose what you study, offers the opportunity to earn up to **12 college credits** and to compete in local, state and national science competitions, then we encourage you to apply!

*Carmel Science Research is a three year program that affords students the opportunity to participate in the community of scientific research as part of their high school experience. It develops research, communication and time management skills while drawing from the scientific capabilities among a broad spectrum of the student body.*

Applications can be obtained from your guidance counselor or science teacher. Applications must be submitted to Mrs. Griffin by **Thursday, April 23**. If you have any questions, please see Mrs. Griffin in room 201!

**Check us out at <http://bit.ly/2ekByc4> for more information about the program!**
