

# Visual Arts -Take a Look

## November

Mrs. Barbarino

### Kindergarten

- 🎨 We completed our geometric shape and line art.
- 🎨 We are continuing to work on our coloring technique and expanding our color palette.
- 🎨 We will begin to work with different mediums and textures in our art pieces.
- 🎨 We are learning to critique our own artwork as well as our peers.
- 🎨 We will move from abstract artwork to realistic artwork.
- 🎨 Next Steps: Please continue practicing tracing objects!

### 1<sup>st</sup> Grade

- 🎨 We learned to use vertical, horizontal, and diagonal lines to create abstract works of art.
- 🎨 We can identify organic shapes and use organic shapes in our art.
- 🎨 We can use patterns to decorate the surfaces of shapes and forms.
- 🎨 We will begin to work on positive and negative space in our art.
- 🎨 We will begin to identify and use warm and cool colors schemes in our art work.

### 2<sup>nd</sup> Grade

- 🎨 We understand the concept of line movement within a space.
- 🎨 We will begin learning about symmetry with the usage of different mediums in our artwork.
- 🎨 We will begin creating a drawing composition using oil pastels to create a balance in our symmetry.

### 3<sup>rd</sup> Grade

- 🎨 We have completed our grid drawings showing geometric shapes and line structure.
- 🎨 We will begin drawing from imagination creating a balanced composition using foreground, middle ground, and background in our artwork.

### 4<sup>th</sup> Grade

- 🎨 We are finishing up our artwork showcasing different types of lines and geometric patterns.
- 🎨 We will begin to arrange shapes, colors, and values to create symmetrical balance in our artwork.
- 🎨 We will begin to use new mediums to balance our art.

### 5<sup>th</sup> Grade

- 🎨 We have learned to use lines to add value to our drawing.
- 🎨 We are learning about overlapping, size, placement, detail, and color creates depth in my artwork.
- 🎨 We are learning to create an open and closed composition in our work.
