

# Visual Arts -Take a Look

## October

Mrs. Barbarino

### Kindergarten

- 😊 We are working hard learning about primary and secondary colors on the color wheel.
- 😊 We are working on demonstrating the ability to create straight lines in our artwork.
- 😊 We are currently working on tracing and overlapping shapes in our drawings.

Next Steps: Practice tracing objects at home to strengthen our hand movements.

### 1<sup>st</sup> Grade

- 😊 We are working on our coloring technique. Taking our time coloring. (Staying in our lines.)
- 😊 We are creating straight and diagonal continuing lines in our artwork.
- 😊 We are also creating geometric shapes that overlap in our work.
- 😊 The students are working on geometric artwork.

### 2<sup>nd</sup> Grade

- 😊 The students are working on coloring technique direction and movement of hand.
- 😊 We are finishing our line art which focuses on line movement through the page.
- 😊 We will begin experimenting with different mediums.

### 3<sup>rd</sup> Grade

- 😊 We are finishing our straight line work.
- 😊 We are working on our coloring technique and movement of our medium.
- 😊 Students are demonstrating the usage of different coloring palettes in their work.

### 4<sup>th</sup> Grade

- 😊 We are working on line usage in artwork.
- 😊 We learned about the different types of lines artists can use in their artwork.
- 😊 We will begin learning about Piet Mondrian and using geometric shapes in our art.

### 5<sup>th</sup> Grade

- 😊 We are learning how lines continue movement on paper.
- 😊 We will continue practicing are stroke technique to fill up space in the same continued direction.
- 😊 We will begin exploring artwork by Piet Mondrian and create our own geometric patterns and lines.
