

Visual Arts -Take a Look

March

Mrs. Barbarino

Kindergarten

- ✿ We know how to use our warm and cool colors.
- ✿ We are beginning a new coloring technique.
- ✿ We will continue working with water colors to expand our knowledge of colors.
- ✿ We are using rubbing plates to create new images in our art.

1st Grade

- ✿ We are continuing to use our principles of design in our artwork.
- ✿ We will begin learning about artist Klimt.
- ✿ Students will begin working on self- portraits.
- ✿ We are expanding our knowledge of colors using the color wheel.

2nd Grade

- ✿ We can identify warm and cool color schemes in our works of art.
- ✿ We will begin exploring with different mediums (oil pastels & paint) to expand our knowledge of the color wheel.
- ✿ We are exploring with watercolors as our new medium.
- ✿ We will begin creating self-portraits in the style of artist Klimt.

3rd Grade

- ✿ We will begin learning about one- point perspective in our artwork.
- ✿ We will begin working on arranging shapes, colors, and values to create symmetrical balance in our artwork.
- ✿ We will begin our one-point visual compositions.
- ✿ We will begin working with sketch pencils to draw our art work.

4th Grade

- ✿ We can use detail to create depth in our artwork.
- ✿ We understand the classification of colors from our color wheel.
- ✿ We will begin creating one-point perspective in our artwork.
- ✿ We will be utilizing the lines to create a sense of space in our visual artwork.

5th Grade

- ✿ We are learning to show balance in our artwork using warm, cool, and neutral colors.
- ✿ We will continue creating a focal area in our artwork through contrast.
- ✿ We will be creating a composition that shows symmetry and asymmetrical arrangement.
- ✿ We will be creating a one-point perspective artwork that centralizes around our focal area.
