

# Visual Arts -Take a Look

## February

Mrs. Barbarino

### Kindergarten

- ♥ We are working hard creating art compositions that use warm and cool colors.
- ♥ We are working on our collage art.
- ♥ We are using organic shapes in our collage art.
- ♥ We will begin working with color pastels and water colors to expand our knowledge of colors.

### 1st Grade

- ♥ We are continuing to use our principles of design in our artwork.
- ♥ We learned about a new artist- Kandinsky
- ♥ Students are learning about cool, warm, and neutral colors.
- ♥ We are expanding our knowledge of colors using the color wheel.
- ♥ We are creating a water color abstract composition.

### 2nd Grade

- ♥ We will begin blending our oil pastels to show texture in our art.
- ♥ We can identify warm and cool color schemes in our works of art.
- ♥ We will begin exploring with different mediums (oil pastels & paint) to expand our knowledge of the color wheel.
- ♥ We are exploring with watercolors as our new medium.
- ♥ We will begin moving into collage art.

### 3rd Grade

- ♥ We will continue to create texture in artwork using oil pastels.
- ♥ We will begin working on arranging shapes, colors, and values to create symmetrical balance in our artwork.
- ♥ We are applying our knowledge of the color wheel to our artwork.
- ♥ We will begin working with watercolors to show movement in our art pieces.

### 4th Grade

- ♥ We can use detail to create depth in our artwork.
- ♥ We understand the classification of colors from our color wheel.
- ♥ We are learning to create a sense of feeling using warm and cool colors in our art.
- ♥ We will continue to explore with different mediums to create texture in our compositions.
- ♥ We will begin exploring symmetry in our compositions.
