

Fourth Grade Supply List

Dear Families,

Welcome to fourth grade!! We are going to have an exciting year. We will be doing many fun projects and a great deal of reading and writing. Fourth graders are quickly approaching the end of their elementary years. They are gaining responsibility and learning organizational skills. Students will be expected to write assignments in their assignment book, complete assigned work and return homework when due. Below is a list of supplies necessary to help you succeed in fourth grade.

List of Supplies

- 4 packages of #2 pencils
- 2 marble composition notebooks (wide ruled if possible)
- 1 box of crayons (no larger than 48 count)
- 3 glue sticks
- 2 highlighters (any color)
- 5 **PLASTIC** two-pocket folders in different colors

Optional List of Supplies

- 1 hard pencil box
- 1 package of baby wipes
- 1 pair of scissors
- 2 pens

We believe that everyone needs some down time over the summer, but it is still important to practice reading, writing, and math. It is a good idea to play educational games (Scrabble, Monopoly, etc.) with a friend or family member. It is helpful to read for fun or perhaps keep a journal of your summer activities. Learning over the summer should not feel like a chore, it should be light and fun. Have a wonderful summer and we look forward to meeting you in the fall.

Sincerely,
The Fourth Grade Team
