MISSION STATEMENT

We envision an unbiased school community that appreciates and respects its rich diversity and prepares students to participate effectively in a rapidly-changing world. We will provide rich learning experiences that will foster strong academic achievement, cultural appreciation and ethical behavior for all students.
**SCHOOL PROCEDURES**

**SCHOOL HOURS**
- The hours of the school day are 8:50 a.m. to 3:20 p.m. Students should be in the building by 8:45 a.m.
- Kindergarten is full day.
- Children can be dropped off at school no earlier than 8:00 a.m. The doors will be locked prior to 8:00 a.m.
- Upon arriving at school all students are to report directly to the cafeteria for “Morning Program.” This is a daily coming together of students to discuss topics, sing songs, showcase student performance, and celebrate special occasions. Following “Morning Program,” students are escorted to their classrooms by staff members.

**ABSENces, ILLNESS, TARDINESS**

**Absences**
- It is important that each child attends school each day. One of the most critical factors in student achievement is time-on-task. This cannot be attained if a student is out of school for any reason other than illness. This deprives your child of important learning time and may foster poor learning habits. Avoid family vacations that interrupt the school year. They are illegal absences.
- **When a child must be absent from school, parents are required to notify the school nurse that day. The phone number is (845) 353-7290.** Please state child's name, teacher's name and the reason for the absence. If a child is absent and we do not receive a call, we will contact you. We want to be sure that your child is safe at home.
- If you know in advance that your child will not be in school for any reason (illness, family matters, etc.), please advise the office, in addition to informing the teacher.

**Illness**
- If your child has a contagious illness such as strep throat, lice or chicken pox, keep your child at home and inform our school nurse of the nature of the illness. It is legally required that a doctor's note be brought to school if your child has been diagnosed with a contagious disease.
- If your child becomes ill during school hours, you will be notified and requested to pick up your child as soon as possible. The child will be removed from class and will be seated in the nurse’s office until your arrival.

**Tardiness**
- Children are expected to be on time every day so that they make take full advantage of instructional time. This also teaches children good work habits and allows the instructional day to flow smoothly for everyone. Tardiness is disruptive to the teaching process and deprives your child of learning time.
- Children are marked late if they arrive after 8:50 a.m. If your child will be late, please call us and have him/her report to the main office upon arrival at school. A late pass will be issued by our school secretary.
ARRIVAL & DISMISSAL PROCEDURES
We at Valley Cottage Elementary work very hard to ensure a safe and efficient morning and afternoon drop-off and pick-up. Here are our procedures:

A.M. Car Drop-off
- This occurs between 8:00 and 8:45 a.m. **Children may not be dropped off earlier than 8:00 a.m. as the doors are locked and there is no supervision available before that time.**
- Vehicles should pull up to the side entrance doors.
- Children are to exit quickly on the curb side only. **Under no circumstances should children be allowed to exit vehicles from the passenger side.**
- Parents are asked to remain in their vehicles as students exit the vehicles.
- There is to be no **standing or waiting** in the drop-off line. People behind you are waiting and are all anxious to be on their way. Should you need to bring your child into the building, please park across the street and walk your child to the building. **At no time should cars be parked in the Fire Zone.**

P.M. Dismissal Procedures:
- Cars will be permitted into the parking lot, but car pick-up students will not be dismissed until after the walkers have left the school. It is anticipated that car pick-up students will be released by approximately 3:25 p.m. at which time all walkers should have left the school grounds. In the event that any walker remains on the school grounds after 3:25 p.m., they will be dismissed after car pick-ups have been completed.
- As has been a practice in the past, a **NO LEFT HAND TURN** policy will be in effect from 3:00 p.m. until 4:00 p.m. as you leave the school parking lot.
- Once the parking lot is full, it will be closed to incoming traffic and you will be asked to come back as the car pick-up process provides space for additional cars to enter the parking lot.
- A speed bump has been installed in our parking lot in order to make certain that everyone in our parking lot is provided with a safe environment. **Please drive slowly.**
- Please be reminded that the Nyack School District is SMOKE FREE and smoking anywhere on the school property is not permitted. This includes while you are in the school parking lot, whether you are in or out of your car.
- **Thank you for your cooperation in maintaining a smoothly run and safe environment for our students.**

**Walkers**
- Stay in two quiet lines
- Leave the school grounds in a safe and responsible manner

**Car Riders**
- Walk quietly to cafeteria
- Remain alert to staff supervising dismissal

**Bus Riders**
- Be alert for bus to be called
- Follow line quietly to bus

**On the Bus**
- Remain seated
- Keep aisle clear
- Obey driver
- Share your seat
**Bus Information**

- Students must live (1) mile or more away from school to receive busing.
- Bus routes and times are sent to parents during August. The mailing will state the bus number and the time and location of both pick up and drop off.
- **Parents of kindergarten children are required to meet their child at the bus at the end of the day. Kindergarten children will be brought back to school if no one is there to meet them at the bus stop.**
- Any questions pertaining to busing can be answered by the Director of Transportation in the Transportation Office (phone 845-353-7041). It is also a good idea to check with your neighbors who have children going to our school. They may be able to give you tips about bus arrivals and procedures.

**Changes in Dismissal Routine**

- If your child **IS NOT** going home in the usual manner, please notify the teacher/office in writing. If these changes occur after your child has already left for school, please call the office at 845-353-7280 before 2:00 p.m. to advise us of the change.
- Each child is to only ride his/her assigned bus and may not choose to ride a different bus to visit a friend. Please also instruct your child to get off only at his/her assigned stop and not at a friend’s.

**Other Pick-up Drop-off Times**

- If dropping-off or picking-up your child during the course of the school, day, please **do not park in the FIRE LANE in front of the school.**
- Please find a vacant parking space and enter the Main Office for a late pass or to sign your child out.

**EMERGENCY CLOSINGS/DELAYS**

The decision to cancel school is based upon the District’s regard for the safety of all students, walkers and those transported. In an unanticipated emergency, early school dismissal will be a measure of last resort and only if it is impossible to make other arrangements. Parents must have a plan of action to follow if schools must be closed early and no one is home. There are specific procedures for emergency closings. Our District uses ConnectEd, an automated phone system, to contact parents. Please be sure your Emergency Card is up to date so we know whom to contact at home and at work.

In the event of a 2 hour delay, school doors will be locked until 10:00 a.m. Students MAY NOT be left unattended prior to 10:00 a.m.

Families and staff will receive a phone call and announcements will be made via the following:

- **Internet:** log onto [www.nyackschools.org](http://www.nyackschools.org) or [www.cancellations.com](http://www.cancellations.com)
- **Phone Message:** at the school and administration building
- **TV:** will appear on channels 2, 4, 5, 7, 12 across the bottom of the screen
- **Radio:** WVNJ (1160 AM), WFAS (1230 AM, 103.9 FM, 106.3 FM), WHUD (100.7 FM), WRGC (1300 AM)

COMMUNICATION

School Calendar

- The school calendar, which is published by the Nyack Public School District, is a valuable source of information about events concerning your child and school.
- When you receive your copy, go through it thoroughly and mark off the special events which pertain to Valley Cottage Elementary School (our school is designated “VC”).
- Days shaded in gray indicate “No School.”
- Please make a special note of all half days, which are listed.

Voicemail, E-mail & Class Pages

- Children benefit greatly from close communication between home and school.
- If you need to leave a message for your child’s teacher (other than changes in dismissal), please call the voicemail system directly at (845) 353-7165.
- All teachers have a school e-mail which is checked on a regular basis. Your child’s teacher will provide you with their e-mail address at “Back to School Night.” You can also access their e-mail by going to their class page listed in the next bullet, and clicking Class Pages, then typing in the teacher’s name.
- Each teacher also has a class web page which can be accessed from the school’s main website (http://vc.nyackschools.org). Checking this page will allow parents to know what’s going on in their child’s classroom as well as school events.

Back to School Night

- “Back to School Night” is an annual orientation meeting held in late September or early October. The exact date is found on the school calendar.
- The purpose of this meeting is to orient adult caregivers of VCE students to the various school programs and policies. Other issues discussed include class expectations, NY State Standards as well as class requirements and materials. This meeting also provides an opportunity for caregivers to meet VCE staff.
- Students and younger siblings are not encouraged to attend this meeting.

Parent/Teacher Conferences

- Conferences are scheduled twice a year, both during school hours and in the evening, at the end of the first and third quarters. Check the school calendar for specific dates and times. Teachers will also send letters home as the dates draw near.
- There are many benefits to attending your child’s conferences. During these meetings our purpose is to:
  - work together for the best outcome for every child
  - exchange information about each child
  - develop joint plans leading to student success
  - provide a school/home support team for each child
Homework Policy

- Homework is assigned to students in grades K-5. Homework is an integral part of your child’s educational process. The assignment of homework serves two purposes:
  1) to practice and apply academic skills
  2) to develop responsibility and good study habits
- These are skills that will be essential to success in school. Parent support and supervision of homework is an extremely important factor toward building good study habits and personal responsibility.

Report Cards

- Report cards are distributed quarterly; generally in November, January, April and June. First and third-quarter report cards are distributed during parent/teacher conferences. Students will bring home their second and fourth quarter report cards in a sealed envelope. The report card envelope should be signed and returned to the teacher.

New York State & Local Assessments

- A variety of formal and informal assessments, including standardized tests, are employed to evaluate students’ progress. We recognize that multiple measures provide a more comprehensive understanding of the child as a learner.
- We use assessment data to monitor students’ progress, to identify students’ strengths and areas in need of improvement, and to adjust instruction to address learning gaps.
- The following New York State assessments are administered to our third, fourth and fifth graders:
  - English-Language Arts (ELA)
  - Math
  - Science (4th grade only)
Local Assessments include:
  - Primary Literacy Profile (K-2)
  - Teacher-designed tests
  - Common assessments
  - End of chapter tests
  - Running records
  - Performance-based assessments

- Assessments are ongoing. The data is analyzed and decisions made to adjust instructional practices to address students’ needs.
- We ask parental cooperation in not scheduling vacations, dental appointments, etc. during the time these assessments are scheduled.
- All assessments have benchmarks (scores that indicate success). Students who score below the benchmarks must receive academic intervention services (AIS) or additional academic support as needed. Parents receive copies of the results of all the standardized and state assessments.
Promotion and Retention Policy

- Please read the District Policy Book for specific information about the parameters, calendar, regulations, and support plans for grade-level promotions and retentions.
- If you do not have a copy of the Policy Book, contact the Public Information Office (845-353-7013) or access the book online at www.nyackschools.org

Notices

- Notices sent home with students contain important information about programs and activities taking place in the school and community. Please check your child’s book bag or “homework” folder regularly for these flyers.
- Weekly and monthly “updates” are also published by our PTA and Family Resource Center and are sent home with students.
- Information about our school and district events can also be accessed online at www.nyackschools.org or the school calendar sent home in the fall.

Library Media Center

- Your child will have library class at least once a week and will check out books one week and return them the next.
- Your child will develop a love of books and reading, learn how the library works and how to conduct basic research.
- Please see the Library website at http://vc.nyackschools.org and click on Library Media Center from the directory on the far left. This will take you to information about the library, our policies and procedures, and the library catalog, along with other research and websites that will assist your child in learning. You may access these sites from any computer with internet access.
- There is also a library class page where you can view what your child is learning in library.
- You can call the Librarian at 353-7295 with any questions you may have.

Summer Reading

- Studies show that students who read during the summer return to school with their reading skills fresh and ready to move into the next grade.
- The Nyack School District sends home a summer reading packet for grades 1-5 the third week in June with each student. The packet includes district information, suggested reading lists and book related activities to complete. The packet is turned in to the student’s new teacher in the fall.
- You may download the packet at the school’s website in June. It is also available at the Nyack and Valley Cottage public libraries in the summer months. Summer reading books are there as well.
Family Resource Center

- All PTA committees and activities are open to new members and fresh ideas. Committees can be co-chaired.
- PTA meetings take place once a month at 7:00 p.m. (usually on the 1st Monday of the month).
SAFETY

Safety and Behavioral Guidelines

- The safety and security of our students is a top priority for staff at Valley Cottage.
- All doors with outside entry access are locked after 9:00 a.m.
- Access to the building is through the main entrance only, using a buzzer system.
- A security guard is on duty during school hours.
- All school employees wear a photo-identification badge at all times.
- Volunteers and visitors must sign our guest book in the Main Office.
- In an effort to ensure safety we have a developmentally appropriate Code of Conduct. Students are expected to follow rules established for cafeteria, playground, bus and school. Students must be respectful at all times.
- We urge each parent to review the Code of Conduct with his/her child in order to fully understand our expectations and the consequences of unsafe and/or inappropriate behavior. The consequences for these behaviors may be “time-out thinking” time, a behavior form filled out by the student and signed by parent, a bus report and/or suspension of bus privileges, request for a parent meeting, a phone call or note to a child’s home, in-school suspension and out-of-school suspension.
- Bullying is not tolerated at Valley Cottage Elementary School. Our school motto is: “Bully Free at VCE.” The Nyack School District has adopted the Olweus Bullying Prevention program to address issues of bullying. For more information on this go to the district website and click on “Olweus Bullying Prevention Program.”

MEDICAL INFORMATION

Emergency Information
- An emergency information sheet must be completed for each child each year. It must include the child’s name, address, home phone number, a number where we can reach the parent during the day (e.g. work, cell, pager numbers) and the name and number of someone who will always be available to take your child home when you cannot be reached, should your child become ill at school.
- Please let us know immediately of any change in phone number or address. If you leave a cell number as a contact, please make sure that it is turned on during the school day in case we need to contact you.
- The emergency information sheet provides an opportunity for you to indicate allergies, asthma, any other special needs as well as your doctor’s name and phone number.

Restrictions on Activity
- When a child is injured and his/her activities (gym or recess) need to be restricted, we must have a doctor’s note stating the injury/illness, what the restrictions are and the length of time for the restriction.

Medication at School
- When a child needs medication during the school day, the following procedures are required (this includes prescriptions and over-the-counter medications):
  1. A note from both the doctor and the parent stating the diagnosis, the name and amount of the medication and the time it should be given.
  2. The medicine must be brought in by an adult. When you go to the pharmacy to get a prescription filled, ask the pharmacist to make up two (2) bottles. One with enough medication for the school nurse labeled “school use” and one labeled “home use.” Medicine cannot be given if it is not in a properly-labeled bottle.

School Physicals
- State law requires that all new entrants, as well as all students in grades K, 2 and 4, have a physical exam. Students who do not return the annual health certificate completed by their private doctors by October 1st will be examined by the school doctor.

Immunizations
- State law requires that all students attending school must meet the following immunization requirements:
  1. DPT (3 doses)
  2. Polio (3 doses)
  3. 2 doses of measles containing vaccine and 1 dose each of mumps and rubella (preferably as MMR)
  4. Hepatitis B (3 doses)
