

## NYACK PUBLIC SCHOOLS ARE GOING GREEN!

**In preparation, we are updating our database and NEED YOUR HELP!**

**The Big Picture:** Improving school-to-home communication and connection with easy online access to important information while saving time, money & trees !

**For February:** We need your current email addresses & phone numbers for all parents & guardians + updated emergency contact numbers (2) for each household.

**Action Needed:** **Please fill out this form; one per household. List all children who attend Nyack Public Schools and return to your child's school in February.**

Your information will only be used for school-approved communication and to set up a Parent Portal account for all District families who do not currently have one.

**THANK YOU** for supporting our efforts. Please call 353-7038 for assistance.
