Good Morning Parents/Guardians:

I want to take this opportunity to thank you for all of your support this school year. It takes the entire community to have a quality middle school. I also want to thank the members of our PTA for the hours spent fundraising and volunteering to enhance the educational experience for our students.

NMS Closed for Construction This Summer:

Nyack Middle School will be closed for construction starting of Friday, June 22nd. Our student bathrooms will be renovated and our gymnasium floor will be replaced among other capital improvement projects. Starting today you will see posted on our front door a notice of asbestos abatement. The abatement will begin on Saturday, June 23, 2018. Students will **not** be in the building during the asbestos abatement period.
