NMS PTA Chronicles

The Nyack Middle School Parent Teacher Association (PTA) welcomes all of our new and returning NMS families and our wonderful teachers and staff to the 2017-2018 school year! We have many great events planned for the school year and hope that you and your family will join us.

Our PTA is made of Parents, Teachers, Grandparents, School staff and others in the community that support NMS by working hard to provide the extras that enrich our children's educational experience throughout the school year. We realize how important your children are and that you want what is best for them. Being a member of NMS PTA can help you achieve that! We all know children learn more and have better lives when parents, school staff, students and the community work together. We want everyone to feel a part of the NMS community. We need you and there are endless possibilities to be part of the PTA and NMS Community. Whether you have 30 minutes or a few hours, it is not an all or nothing commitment. Your time, talent and ideas are of the utmost importance.

PTA meetings take place quarterly at 7:00 pm in the school Library. Please join us.
