

# Winter Walk 2020 #3minutesorless Thursday, February 13, 2020

Dear Parent/Caregiver,

Delaware Township School is proud to participate in the Hunterdon County Safe Routes to School Program, which encourages and educates our students on walking to school safely throughout the school year. We started the school year, in October, by participating in International Walk to School Day.

On **Thursday, February 13, 2020**, we will host our “**Winter Walk**” to see that walking to school can be done even in colder weather. Winter Walk will begin at our regular walking school bus route.

**We invite all students and parents to bundle up and share in the warm spirit of DTS’s Winter Walk!**

Here are a few tips to prepare:

- Dress in layers, including a warm, wind-resistant coat/jacket.
- Protect exposed skin with gloves/mittens and a scarf.
- Focus on keeping head and feet warm and dry by wearing a hat, warm socks, insulated/waterproof shoes or boots.
- Watch for icy patches on sidewalks, crosswalks.

\*As part of Winter Walk 2020, DTS is reminding all parents to avoid idling your vehicle. New Jersey state law allows vehicles to idle for three (3) minutes or less.

Students who walk on February 13, 2020, will receive a collectible keychain entitled, **#3minutesorless**, to hang on their backpack, upon arrival at the school.

*Mark your calendar for February 13 and join in Winter Walk!*
