

Celebrating the 100th Day with Kindness

Every year at Delaware Township School, Pre-K to Third Grade students have a celebration to mark the one-hundredth day of school. Along with various classroom activities, the teachers challenge the students to show good character traits. This year our emphasis is on kindness. We are challenging the students at DTS to show kindness at our school and in our community by donating items for Kindness Care Bags.

The Hunterdon Medical Center is in need of care bags for kids admitted to the hospital and/or children visiting family members in the hospital. In keeping with our theme of kindness, we are challenging the kids at DTS to help us create and fill 100 bags!

We are hoping that each child can work at home on small chores to earn money to purchase and donate one or more of the items from the wish list below. All items must be new. All donations need to be brought to school by February 11th. Collection baskets will be in Pre-K to 3 classrooms and inside the school entrance.

On February 12th, Kindergarteners and their Third Grade Friends will gather together to assemble the bags.

NEEDED SUPPLIES

Crayola Crayons
Crayola Colored Pencils
Mechanical Pencils
Small Containers of Play-Doh
Coloring Books
Word Finds or Cross Word Puzzle Books
Playing cards
Stress Balls / Small Squishy Toys

Thank you for all your support as we focus on spreading kindness in our school and our community.

Along with various classroom activities, the teachers challenge the students to show good character traits. This year our emphasis is on kindness. We are challenging the students at DTS to show kindness at our school and in our community in two ways:

Kindness Bingo

The attached Bingo board was designed to help foster acts of kindness in our school. We are challenging each child to try to complete one kind act a day. A huge Bingo board will be on display in the cafeteria so we can keep track of all the great things happening at DTS. Please encourage your child to share their kind activities in morning meeting with their teachers and classmates.
