Wildcat Word Wizards 2020

Editor Permission Form

It's that time of year again! ALL students in grades 4 through 8 are invited to participate in the Wildcat Word Wizards club as an editor. This year, the journal will be published as a digital flipbook! A reception will be held in the spring to celebrate the accomplishments of all the journal contributors and editors.

If you are interested in participating as an editor, join us after school on Wednesdays in Room 101 from 3:15pm to 4:15pm. Our first meeting is scheduled for February 12, 2020.

Hope to see you there!
