

Service Project Collection

The students in the InvestiG.A.T.E. program are collecting new pajamas and books for The Pajama Program again this year. This is a charity organization that donates new pj's and books to children in foster care, homeless shelters, or to those who simply need them. Our collection this year will again be delivered to children at a local NORWESCAP Head Start preschool. Last year we were able to deliver gifts to over 50 students! Thank you for your continued support!

In order to insure that each child attending the school receives a set of pj's and a book, we are asking parents to sign up for a specific child. If you're interested in donating, please use the link below to sign up. If you sign up, you are agreeing to purchase the appropriate size/gender **pajamas** listed, as well as an age-appropriate **picture book**. (**All items must be new**- no used pj's or books are allowed.)

(You do not need to provide your email address or sign up for an account with signupgenius.com in order to donate! All they require is your first/last name.)

Please drop all donations (unwrapped) in the box in the front lobby by **December 3rd**. Please label your bag with the gender/size you purchased.

Several students in the InvestiG.A.T.E. program will be visiting the preschool to deliver the gifts, as well as read to the students in December.

Thank you for your generosity!
