

# D.T.S Fine Art Program

## Art Supply Kits

To meet safety standards, students will be using supplies from individual art kits this year. Any shared tools/materials will be cleaned using CDC standards for safety between classes. Below is a list of supplies needed for art class. It is recommended that each material is labeled with the student's name or initials. Please send all materials in a large ziplock bag (or similar) with the student's name, grade, and class written on the front of the bag.

\*= can be shared with the requested supply from classroom teacher
