Supervisor

*Dear Parents of 8<sup>th</sup> Grade Students*

*HCRHS counselors will be meeting with the 8<sup>th</sup> grade on February 5th for a student assembly to explain the scheduling process and some of the important items they will need to understand as they begin their careers as students at Hunterdon Central. Their course recommendation forms will be mailed home prior to that day. I will be meeting with your students during their science classes on January 16<sup>th</sup>. Afterwards, the forms will be put in the mail. Please use this as your worksheet as you discuss which classes to schedule for freshman year.*

*A Q&A at the High School will take place on February 7 @ 6:30 pm and you are invited to attend. They will be posting informational videos on their website about scheduling and we will be receiving these videos and posting them on our website for your convenience. If you have never had a child attend Hunterdon Central, I recommend that you and your child view the videos together before scheduling and prior to attending the Q&A.*

*On-line scheduling takes place the week of February 16-February 20<sup>th</sup>. You should receive your child's log-in information along with explicit directions. If you do not receive this information by February 9<sup>th</sup>, please contact me immediately as you will not be able to schedule without a log-in.*

*The pink copy of the student recommendation form MUST be returned to me once scheduling is completed otherwise I will not be able to guarantee you will get the appropriate elective alternatives for your child. The deadline for this is March 1, 2017; no pink copies will be accepted after this.*

*Any correspondence I receive from the high school will be posted on our website. Please check the website periodically for these updates.*

*Please contact me by phone, email, or in person should you have any questions.*

*Respectfully,  
Eileen Quinn  
School Counselor*
