Requesting a Bus stop change: Parents/guardians of students in grades K-8, including those who would normally walk to school, will be entitled to request a change of the designated address for the bus pick-up and drop-off of their students for child care needs. The designated address must be within the sending district of their assigned school. The designated pick-up address may vary from the drop-off address for child care purposes only. Pick-up and drop-off addresses cannot vary on a day-to-day basis. **A request for a bus stop change must be submitted in writing at least ten working days prior to the requested start date.** If a parent/guardian needs to change their student's bus stop during the school year due to child care please contact the Supervisor for a child care request form. If approved, the Supervisor shall direct the request to transportation for review. The request shall be considered and the determination will be made contingent upon availability of a route, seating capacity on the school bus (exclusive of projected growth seats), and safety conditions in general.
