Re: Important 2019-2020 school year scheduling and password information
Please keep this information in a secure location for the duration of the student's enrollment at HCRHS

Dear Parents/Guardians:

Over the next few months, Hunterdon Central and your sending district school (Delaware, East Amwell, JP Case or Readington Middle School) will begin the process of preparing current 8th grade families for the transition to high school. Your involvement is a crucial element in planning a successful academic program for your son/daughter. This letter includes important and confidential high school credentials specific to your student, which will be used throughout their enrollment at HCRHS. Please retain this information for scheduling and for future access to the HCRHS Aspen student information system.

Each 8th grade sending district student will receive a Class of 2023 Course Recommendation Selection Form from their middle school counselor. Using this form as a reference, each student will enter course requests online during the scheduling time frame identified below. These course requests will be used to build the student's 2019-2020 school year schedule. Please contact your child's middle school counselor if he/she did not receive this course recommendation form.

Grade 8 course entry time frame for Grade 8: February 22 – February 26

Hunterdon Central's 2019-2020 Program of Studies, detailed instructions on how to schedule courses for next year, virtual presentations on the course selection/scheduling process and course sequences in each academic area are posted on Hunterdon Central's website. To access the information, please go to: www.hcrhs.org Click on "Quick Links" then click on the "Program of Studies" and "Online Scheduling" links. We encourage you to review the information on these webpages.

Please Note: Student schedules for the upcoming school year will become available online in our Student Information System – Aspen - during the month of July 2019. Students will need the above credentials to review the schedule, so it is important to keep this information in a secure location.

For future use: Effective beginning July 1, 2019
