Three emergency closing days have been built into this calendar. Unused emergency days will result in an earlier last day of school.

If additional school closings are necessary, make up days will be added to the calendar in the following order:

January 20 February 14 February 17 June 19

If additional emergency closings occur, we would use the days of spring recess, beginning April 17 followed by April 16 and April 15. School personnel and students will be expected to attend on contingency plan days.

Subject to change depending on snow days, last two days of school will be early dismissals.

The Board of Education reserves the right to amend this calendar.
