Three emergency closing days have been built into this calendar. Unused emergency days will result in an earlier last day of school.

If additional school closings are necessary, make up days will be added to the calendar in the following order:

January 21 February 15 February 18 June 20 June 21

If additional emergency closings occur, we would use the days of spring recess, beginning April 26 followed by April 25 and April 24. School personnel and students will be expected to attend on contingency plan days.

Subject to change depending on snow days, last two days of school will be early dismissals.

The Board of Education reserves the right to amend this calendar.
