

Visit Artsonia.com to see your student's artwork

Find school by entering: Delaware township school

Why Artsonia?

Over the past two year, DTS began using the Artsonia site for storing and accessing **YOUR CHILD'S** school artwork. Volunteers have uploaded images of almost 2,000 D.T.S. student art pieces into individual student portfolios on ARTSONIA.COM. We have been impressed with the versatility, ease and accessibility of Artsonia over other websites/programs and have decided to use this site as our DTS source.

The Benefits of Artsonia:

- *One family account to view artwork of ALL students in your household*
- *Artwork created by students throughout the year will be uploaded*
- *Ability to add additional artwork to your family account from home using your own device*
- *Artwork products available for purchase ANYTIME of year for ANY occasion by going to www.artsonia.com*
- *Access the website 24 hours a day from your home computer and/or most smartphones, ipads and androids (go to www.artsonia.com to get apps)*
- *Artwork remains on Artsonia for a lifetime*
- *Students and family can send comments about artwork directly to your child*

D.T.S. families will receive emails directly from Artsonia *only after* you create your own account. Monies generated fund both the D.T.S. Fine Art Festival, art materials and guest artists throughout the year.

If you gave D.T.S. permission for your child's first name and/or image to be shown on the internet, permission was automatically granted for your child's work to be visible on the artsonia.com website. If you did not give the school permission, but would like your child's art to be visible, please visit artsonia.com to grant permission.

If you would like to volunteer on the Artsonia committee email me at amikula@dtsk8.org.

Thank you!

Angie Mikula (art teacher) and the Artsonia committee
