Three emergency closing days have been built into this calendar. Unused emergency days will result in an earlier last day of school.

If additional school closings are necessary, make up days will be added to the calendar in the following order:

January 18 February 12 February 15 June 23

If additional emergency closings occur, we would use the days of spring recess, beginning April 9 followed by April 8 and April 7. School personnel and students will be expected to attend on contingency plan days.

Subject to change depending on snow days, last two days of school will be early dismissals.

The Board of Education reserves the right to amend this calendar.
