January 2019

Dear Parent/Guardian of an incoming Hunterdon Central student:

You're invited to attend an evening program at Hunterdon Central, designed to help prepare for your son's/daughter's enrollment at the high school. Our Program of Studies Question & Answer Session with Department Supervisors is scheduled for **Wednesday, February 20, 2019 at 6:30 PM** in Hunterdon Central's Auditorium. (Please use the main entrance to the high school, off Route 31.)

The program will begin with a brief presentation regarding scheduling procedures and course selection for grade 9 students. Subject area department supervisors will be available to provide information and answer questions about courses and procedures within their departments.

Each student who is enrolled at a sending district school will receive a Class of 2023 Course Recommendation Selection Form from their current school counselor. Your child's current teachers have selected the high school courses which they feel are most aligned to your child's progress in 8th grade. The Course Recommendation Selection Form should be used as a reference for your child when entering course requests for the 2019-2020 school year.

Course descriptions, videos, and charts are posted on Hunterdon Central's website. From our Homepage - www.hcrhs.org - click on "Quicklinks" then "Program of Studies". Please take the opportunity to review the materials and begin to formulate your thoughts and questions about course selections prior to the evening program on February 20.

Students who don't currently attend a Hunterdon Central sending district school, but who plan to enroll for the 2019-2020 school year, will not use the online scheduling system. They will be scheduled for a registration and scheduling appointment. Following the February 20 orientation please contact our Registrar, Judy Singer, to schedule an appointment. Ms. Singer can be reached at (908) 284-7227 or jsinger@hcrhs.org.

If you can't attend the February 20 meeting, but would like more information, I encourage you to contact our department supervisors or email our scheduling helpline at scheduling@hcrhs.org.

Sincerely,
