Welcome to fall and thanks to everyone who attended Donuts with a Very Important Female. I hope all students are working on the math games sent home during this time. If you didn't get math games, ask your teacher to send them home. We have games for everyone.

End of the Day

School dismisses at 3:25

1. If you pick up your child, wait for them by the sundial at the front doors.
2. Make sure to wave at the teacher. For safety, students need someone to pick them up prior to stepping into the parking lot.
3. All teachers will walk students to their bus.

Things Coming UP

Saturday, November 3rd - Daylight saving time ends
(Clocks go back one hour.)

Please see October events on the next page.

- Please make sure you check in at the office when you come to volunteer or have lunch
- Thank you for keeping the bus lanes free and all handicapped parking and loading zones clear.
- When a student is late or returning from an appointment, please walk them in and check them in at the office.
- Supervision will not be available until 7:55, so ensure you don't drop off early to keep your student safe.
- As the weather begins to get colder, make sure your child has warm coats, hats, gloves, etc.
- Check the lost and found right inside the gym. It is really getting full, and all items will be turned into Good Will at the end of the quarter.

Please be aware that Northpark has parent teacher conferences and a book fair this month. Parent teacher conferences will be scheduled. We look forward to showing you all of the hard work your student has completed and what will be coming next.

If there is anything specific that you'd like me to cover in this session, please email me and I will be sure to include it.

Fall Celebration

With Fall quickly approaching, we would like to establish the expectations our school will be following on October 31. Individual classrooms will be having activities from 2:30-3:30 p.m. Costumes may not be put on until 2:15 p.m. No masks or face paint. Additional information will be provided by classroom teachers. For students who do not celebrate the holiday, we will have a space for them to do activities.

Registration, Parent Square, Email

If you have not already done so, please update your child's registration and current info online or at Northpark.

Parent Square will be used to relay safety or emergency information to parents in a time of need. This is an additional measure to ensure student safety at Northpark Elementary. Parents, it is important to always provide the school with accurate and current information including home and cell phone numbers and mailing addresses.

My email is listed on the front of this newsletter. Another great way to contact me is by phone, Parent Square, or Facebook.
