

8th Grade ACE Visual Arts Student Self-Nomination Form

The 8th grade ACE Visual Arts course will be offered to qualifying students for the 2018-2019 school year. This course replaces the regular Visual Arts encore class.

As part of the selection process students may nominate themselves and/or be nominated by a parent. Please visit PJH website to access the parent nomination form.

If you are interested in being considered for this course complete the lower portion of this page.

All student nominations are due to homeroom teachers by April 24 by 3:00PM.

Next steps in the process:

- April 27: student survey during 7th grade enrichment time (10:10-10:40) in the media center
- May 1 & 2: create artwork during the school day

I am interested in next year's 8th grade ACE Visual Arts class. Please include me in the identification process for this class. I will complete the above requirements.
