

**“Parent Portal Registration”**

Stay up-to-date on student progress with online access through the PowerSchool Parent Portal! To register for first-time access, parents/guardians will need to bring their photo ID to the STMS front office. STMS Registrar, Amy Page will be available to help with first-time user registration. Parents/guardians who have previously registered, do not need to re-register each year.

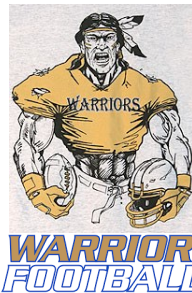

**Keeping our Parents Informed:**

Stay informed and up to date with information about what is happening at STMS for your child’s grade level.
