Lincoln Middle School

Lajuan White, Principal

October 8, 2020

Dear Families,

Each year, the New York State Education Department reviews information about the performance of each public school and assigns it an accountability status. This letter is to inform you that Lincoln Middle School has been designated as a “Struggling” school and will remain under State Receivership requirements for the 2020-21 school year.

As a result of this designation, specific actions will continue to be taken during the school year to improve our school’s performance.

Similar to last year, our school will have a Community Engagement Team consisting of school staff, parents, and community partners. This team will assist in developing and monitoring our school’s improvement efforts. If you are interested in serving on the Community Engagement Team, please contact me directly.

Our school will also hold a virtual meeting on **October 22nd at 5:00pm** to provide more information about Receivership. A link for the meeting will be posted on our school website (syracusecityschools.com/lincoln) and on www.lincolnscsd.com, as well as on our Facebook and Twitter pages.

I hope you will be able to join us on the 22nd. If you are unable to, I welcome you to submit any feedback or comments you have through the Let's Talk tool found on the district website (syracusecityschools.com).

In the meantime, please feel free to reach out to me with any questions you may have.

Sincerely,

A handwritten signature in blue ink that reads "L. White".
