Provision for School Closing Due to Weather Related Conditions or Other Situations

As of this update, February 28, 2019, we have had seven (7) inclement weather days. If an emergency situation forces the Syracuse City School District schools to close more than seven (7) days, school will be in session beginning with April 15, and then to April 16, 17, 18, and 19 (Good Friday) for each day beyond seven (7) up to twelve (12). If an emergency situation forces school to be closed more than twelve (12) days, the District and the Association will meet for the purpose of discussing the calendar adjustments necessary to conform to State Law. As a result, staff is cautioned NOT to commit themselves to any irrevocable plans for the April Break in the event that any or all of these days will be required to make up for lost student days in excess of the amount provided for in this calendar.
