

SYRACUSE CITY SCHOOL DISTRICT

Jaime Alicea, Superintendent of Schools

Lincoln Middle School

Lajuan White, Principal

April 3, 2019

Dear Families,

As we begin the final marking period of the year, our attention is drawn to the upcoming school-wide incentives for Lincoln Middle School.

This year the 6th and 7th grade scholars have the opportunity to attend a field trip to Seabreeze Amusement Park in June. In order to qualify for this incentive, scholars must meet the following criteria:

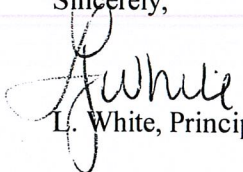

- Passing all four core classes (Math, Science, ELA, Social Studies) with a grade of at least 65
- Remaining in the classroom once class has started
- Arriving to school and all classes on time

Beginning on April 22nd, all students will be held accountable for the above criteria. The teachers will record if and when students do not follow the criteria listed above. Only scholars who are able to adhere to these guidelines will be permitted to participate in the Seabreeze trip.

Scholars were made aware of this trip and the criteria to attend during homeroom time this week. Please take time to review the guidelines outlined above and discuss them with your child. We would like to see one hundred percent participation in this trip to celebrate the end of the school year! We appreciate your support and are looking forward to the end of the year festivities. Please contact any of your student's teachers with questions.

Please sign on the appropriate lines below to indicate that both you and your scholar have read and agree to these criteria.

Sincerely,

L. White, Principal

STUDENT NAME _____

GRADE _____

I have read and agree with the criteria for my child to be able to go to Seabreeze Amusement Park
(in Rochester, NY) in June 2019.
