March 14, 2020

Dear Parents/Guardians:

The District continues to monitor the most recent developments pertaining to 2019 Novel Coronavirus (COVID-19). While at this time, we do not have any confirmed cases of COVID-19 within the District, we understand the last several weeks have been extremely challenging and stressful for our community members.

Out of an abundance of caution, the decision has been made for the Uniondale School District to be closed on Monday, March 16, 2020, and Tuesday, March 17, 2020. Additionally, the two days will serve as an opportunity for teachers to initiate contact with students and families through our *eLearning* platforms in order to tests their functionality. Information regarding instruction will be forthcoming from Ms. Rhonda Taylor, Assistant Superintendent for Curriculum and Instruction and Ms. Ana Ritter, Director of Instructional Technology.

As in previous communications, the District will continue with deep cleaning and sanitizing of all our buildings throughout the day on Saturday, March 14, Sunday, March 15, Monday, March 16, and Tuesday, March 17, 2020.

Regarding the planning and distribution of meals, the following information is repeated from our letter dated March 13, 2020:

- Since the District will be closed on Monday, March 16, and Tuesday, March 17, 2020, breakfast and lunch will be available for pick-up on Tuesday, March 17, 2020, at the entrance of Uniondale High School and Lawrence Road Middle School between the hours of 10:00 am and 12:00 pm.

You will be updated with any and all additional information. As always, the health and safety of our scholars, staff, and community remain our top priority.

Thank you,

Dr. William K. Lloyd
