Helping Students Reach their God-given Potential since 1948*

Here's what our MOMS say about us ...

My daughter has been at BSCS since K4, and she is now in 3rd grade. She has formed close friendships with all of the students in her class. I can't begin to express the gratitude of the close friendships we have formed with the other families. It's truly our home away from home. **Lindsey, 3rd grade mom**

We have 2 boys who have been at BSCS since K4 and it has been the best decision we have made for our children. It is a wonderful place for them to grow academically and spiritually.

Melanie, mom of 2nd and 4th graders

WE LOVE BSCS. IT'S AN AMAZING SCHOOL WITH WONDERFUL FAMILIES AND TEACHERS. THE ACADEMICS ARE CHALLENGING, AND IF YOU'RE LOOKING FOR A QUALITY CATHOLIC EDUCATION, YOU'RE LOOKING AT THE RIGHT SCHOOL. IT IS HANDS DOWN THE BEST KEPT SECRET IN PRIVATE SCHOOLING IN CHARLESTON! **AMY, MOM TO 5TH AND 1ST GRADERS**

Our little girl is in K3 and loves it! She is so happy, her attitude has improved and she loves her school and Jesus! I couldn't be a happier or more pleased mom!
Ansley, mom of K3 student

Our family has been at this school for over 15 years. My oldest went to BSCS from K4 through 8th grade. He is now a freshman in college and was well prepared for both high school and college. Our second son is now in 4th grade. He gets up every morning happy to go to school! **Gigi, mom of graduate and 4th grader**

We love Blessed Sacrament and know that it is super challenging. My kids couldn't be more different. And both are challenged and do very well. **Amy, mom to 8th and 6th grade students**

We have seen our son grow in so many ways. God led us to this school and church. Visit unannounced, you will fall in love. **Renee, K4 mom**

BSCS is not just an educational institution, but one that encourages morality and human values. For our family, it is a community. **Encarna, mom to 2nd, 1st and K4 students**

MY DAUGHTER HAS BEEN HERE FOR 5 YEARS. SHE HAS GROWN INTO AN AMAZING, SWEET AND GENEROUS YOUNG GIRL AND BSCS HAS HAD SUCH A HUGE IMPACT! **AMELIA, MOM TO 3RD GRADER**

We moved to Charleston 4 years ago, and I had no idea where I was going to send my daughter to school, who was in K4 at the time. The day I toured BSCS, unannounced, I had 2 others schools on my list, yet I registered her on the spot without even considering the other options. My daughter has flourished not only academically, but also spiritually. She is well loved, nurtured, challenged and accepted. We feel it's the best return on our investment. **Patty, mom to 3rd grader**
