Subject: **BGCNR Mascaro Day Program**

Good Morning All,

The Boys & Girls Club of New Rochelle will be offering a day program from 8am-3:30pm. We have split our registration by the day of the week. You have the option to select a series of dates for each day of the week. For example if you chose

Mondays, you are signing up for each Monday from September 14th to October 19th.

The program will be to assist students in their virtual learning. Staff members will help them get on their computers, set up their zoom meetings, help with any technical difficulties. We will also provide breakfast and lunch and hold recess on the Columbus Elementary School Field.

Attached is an FAQ with more information. You must send your child in with a Chromebook or another device to use for the day.

There are 60 spots altogether and you all have the first right to sign up. Tomorrow morning we will be opening it up to the entire community.

Please see the links below, select the day and corresponding grade for each link:
Please email me with any questions.
