

Dear Parents and Guardians

It is important to maintain a daily routine of reading and writing. Barnard's website has excellent resources for online books that your child can access daily like Bookflixs, Raz-Kids, and PebbleGo. Please have your child read daily.

In order to be able to read unknown words, your child will need to continue to practice some decoding skills. To help with this, here are some videos that can help your child remember some of the sound chunks they have learned.

Silent e rule
