

We Are Family

We are family
I got all my people with me
We are family
Get up everybody and sing
We are family
I got all my people with me
We are family
Get up everybody and sing
Everyone can see we're together
As we walk on by
(And) and we fly just like birds of a feather
I won't tell no lie
(All) all of the people around us they say
Can they be that close
Just let me state for the record
We're giving love in a family dose
We are family (Hey, y'all)
I got all my people with me
We are family
Get up everybody and sing (sing it to me)
We are family
I got all my people with me
We are family
Get up everybody and sing
Living life is fun and we've just begun
To get our share of this world's delights
(High) high hopes we have for the future
And our goal's in sight
(We) no, we don't get upset
Here's what we call our golden rule
Have faith in you and the things you do
You won't go wrong, oh no
This is our family jewel

We are family (hey, sing it to me)

I got all my people with me

We are family (oh, I can hear you now)

Get up everybody and sing

We are family

I got all my people with me

We are family (get up, get up y'all)

Get up everybody and sing

We are family (I got all my people with me)

I got all my people with me

We are family

Get up everybody and sing (Get up and sing it to me)

Sia - Original

Boom, woke me from my sleep

Boom, woke me from a dream

Boom, got me on my feet

Boom, think the birds who sing

I'm here to try anything

I'm done with the suffering

It's time to stand up and sing

For my life

I'm here now to try it all

I'm ready to take a fall

'Cause I'm an original

Why deny it?

And I won't waste my life being typical

I'ma be original, even when it's difficult

And I won't change myself when they tell me, "No"

I'ma be original, I'ma be original

Nah, I won't waste my life being typical

I'ma be original, even when it's difficult, oh

And I won't change myself when they tell me, "No"

I'ma be original, I'ma be original

Oh, oh, oh

I'ma be original, I'ma be original

Boom, run toward the light

Boom, I'm ready to fight

Boom, the dear ones that live inside

Boom, I faced the darkest night
I'm here to try anything
I'm done with the suffering
It's time to stand up and sing
For my life
I'm here now to try it all
I'm ready to take a fall
'Cause I'm an original
Why deny it?
And I won't waste my life being typical
I'ma be original, even when it's difficult, ah
And I won't change myself when they tell me, "No"
I'ma be original, I'ma be original
Nah, I won't waste my life being typical
I'ma be original, even when it's difficult, whoa
And I won't change myself when they tell me, "No"
I'ma be original, I'ma be original
Oh, oh, oh
I'ma be original, I'ma be original (Oh, oh)
Oh, oh, oh
I'ma be original, I'ma be original (Oh)

Muppets-Life's a Happy Song

Everything is great
Everything is grand
We've got the whole wide world in the palm of my hand
Everything is perfect
It's falling into place
I can't seem to wipe this smile off my face
Life's a happy song
When there's someone by my side to sing along
Everything is great
We'll live happily ever after
And we'll keep giving the world the third greatest gift
Laughter
Si, movie's almost over
It's time to say So Long
Will you stop singing? You already sung this song
Life's a happy song
When there's someone by your side to sing along
We're happier when you don't sing
We've got everything that we need
We can be whatever we want to be
Nothing we can't do
The skies are blue
When it's me and you, and you, and you, and you
Well, all of you
La la la
We've got everything that we need
We can be whatever we want to be
Nothing we can't do
The skies are blue
When it's me and you, and you, and you
Life's a happy song
When there's someone by your side to sing
Life's a happy song
Me me me me me me me me me me

Life's a happy song
When there's someone
Someone
By your side
To sing along

Bruno Mars – Count on Me

If you ever find yourself stuck in the middle of the sea,
I'll sail the world to find you
If you ever find yourself lost in the dark and you can't see,
I'll be the light to guide you
Find out what we're made of
When we are called to help our friends in need
You can count on me like one two three
I'll be there
And I know when I need it I can count on you like four three two
You'll be there
'Cause that's what friends are supposed to do, oh yeah
Whoa, whoa
Oh, oh
Yeah, yeah
If you tossin' and you're turnin' and you just can't fall asleep
I'll sing a song
Beside you
And if you ever forget how much you really mean to me
Everyday I will
Remind you
Ooh
Find out what we're made of
When we are called to help our friends in need
You can count on me like one two three
I'll be there
And I know when I need it I can count on you like four three two
You'll be there
'Cause that's what friends are supposed to do, oh yeah
Oh, oh
Yeah, yeah
You'll always have my shoulder when you cry
I'll never let go
Never say goodbye
You know you can

Count on me like one two three

I'll be there

And I know when I need it I can count on you like four three two

And you'll be there

'Cause that's what friends are supposed to do, oh yeah

Oh, oh

You can count on me 'cause I can count on you

Mr. Rogers – It's You I Like

It's you I like,

It's not the things you wear,

It's not the way you do your hair--

But it's you I like

The way you are right now,

The way down deep inside you--

Not the things that hide you,

Not your toys--

They're just beside you.

But it's you I like--

Every part of you,

Your skin, your eyes, your feelings

Whether old or new.

I hope that you'll remember

Even when you're feeling blue

That it's you I like,

It's you yourself,

It's you, it's you I like.
