Notes:

1. Holmcenter-provided materials used for all courses listed.
2. LE and AS material is blended within each course, along with one PT/wellness day per week, to provide a 40%/40%/20% mix (2 days AS, 2 Days LE, 1 day Wellness per week)
3. All classes are mixed with AS 1 through 4 level cadets. Upper class cadets provide instruction and mentorship to lower class cadets in each class (Flight)
4. LE instructional technique brings more and more cadets into the "teaching" realm as corps experience level increase:
5. AS 4 cadets given written/oral project on AS/LE topic. Presented to lower class Flights.
