

What are two things you learned over the course of this class?

1.

2.

What is something that surprised you about this class?

What is a topic you wish we had talked about, or spent more time on?

Do you have any comments or suggestions for the presenter?

What suggestions do you have for the future if Women's Support Services were to do this programming with next year's 8th graders?

**Additional Comments or Questions:**
